

## Specification Sheet

Product No: C848665  
 Product Name: 6-Chloro-1,2,3,4-tetrahydroquinoline  
 CAS: 49716-18-9  
 Formula:  $C_9H_{10}ClN$   
 Formula Weight: 167.64  
 Specification: 95%  
 Version: 2022-07-05

| Test              | Specification                                                                                                    |      |
|-------------------|------------------------------------------------------------------------------------------------------------------|------|
|                   | Min.                                                                                                             | Max. |
| Appearance        | Colorless to White to Off-white to Yellow to Brown Liquid to Solid                                               |      |
| Purity (%)        | 95                                                                                                               | 100  |
| Infrared spectrum | Conforms to Structure                                                                                            |      |
| NMR               | Conforms to Structure                                                                                            |      |
| NOTE:             | This product is low melting point solid,may change state in different environments (solid, liquid or semi-solid) |      |
