

## Specification Sheet

Product No: B802534  
 Product Name: tert-Butyl methyl ether  
 CAS: 1634-04-4  
 Formula:  $C_5H_{12}O$   
 Formula Weight: 88.15  
 Specification:  $\geq 99\%$ (GC)  
 Version: 2023-02-27

| Test                   | Specification |                  |       |
|------------------------|---------------|------------------|-------|
|                        | Min.          |                  | Max.  |
| Purity (GC)            | 99            |                  | 100   |
| REFRACTIVE INDEX N20/D | 1.367         |                  | 1.369 |
| APPEARANCE             |               | COLORLESS LIQUID |       |
| Water by Karl Fischer  | 0             |                  | 0.05% |
