

Specification Sheet

Product No: C835833  
Product Name: Cupric oxide  
CAS: 1317-38-0  
Formula: CuO  
Formula Weight: 79.55  
Specification: 99.5% metals basis, 100-200nm  
Version: 2024-04-01

CuO

| Test                                       | Specification             |        |
|--------------------------------------------|---------------------------|--------|
|                                            | Min.                      | Max.   |
| Particle Size                              | 100 nm                    | 200 nm |
| Purity (Based on Trace Metal Analysis) (%) | 99.5                      | 100    |
| APPEARANCE                                 | Dark Grey to Black Powder |        |
| ICP MAJOR ANALYSIS                         | Confirms copper component |        |
